EXPERIENCE

Property Manager

Oct 2021 - Present

Mavatika, Englewood, CO

As an Airbnb Superhost and Freelance Graphic Designer, I am passionate about creating memorable guest experiences through thoughtful design. With a keen eye for aesthetics and a deep understanding of the needs and expectations of modern travelers, I offer a unique blend of hospitality and design expertise.

Digital Specialist

Jan 2020 - Present

Holistic Pathways, englewood, CO

From crafting a captivating website to designing product labels, and spearheading marketing initiatives to enhancing – I'm the one-stop solution for all things digital. Bringing innovation and creativity to elevate this apothecary clinic and juice bar into the digital landscape.

In House Graphic Designer

Jan 2016 - Jan 2020

Botanex, Denver, CO

Collaborating with a CEO to conceptualize and execute design solutions that meet and exceed expectations. From print to digital, I worked on a variety of projects spanning branding, marketing, social media assets, and more.

EDUCATION

Sep 2013 - Aug 2014

Sheridan College

Art Direction · Cinematography · Editing · Audio Recording · Audio Editing

SKILLS

Expert in: Customer Service, Independence and Remote Work Skills, Adaptability, Learning Agility

HONORS & AWARDS

Trip to Antarctica

After winning a scholarship from the Leacross Foundation to explore the bottom of the earth with students, artist, scientist, writers and teachers from all over the world I curated my own art show displaying photographs of the inspiring landscape of Antarctica.
